But, speaking of Finnish… Finnish in Finnish is suomi. Suomi is a good word (sana) to know since you know… you are now learning it.

So, how do you get started with suomi?

At FinnishPod101, we get you speaking and understanding Finnish with bite-sized conversational lessons.

In fact, you have a ready-made pathway of lessons waiting for you on the FinnishPod101 dashboard (your homebase). Just click on "Go to lesson."

How to learn: All you have to do is… press play on a lesson and sit back.

First, you'll listen to a practical dialogue between native Finnish speakers.

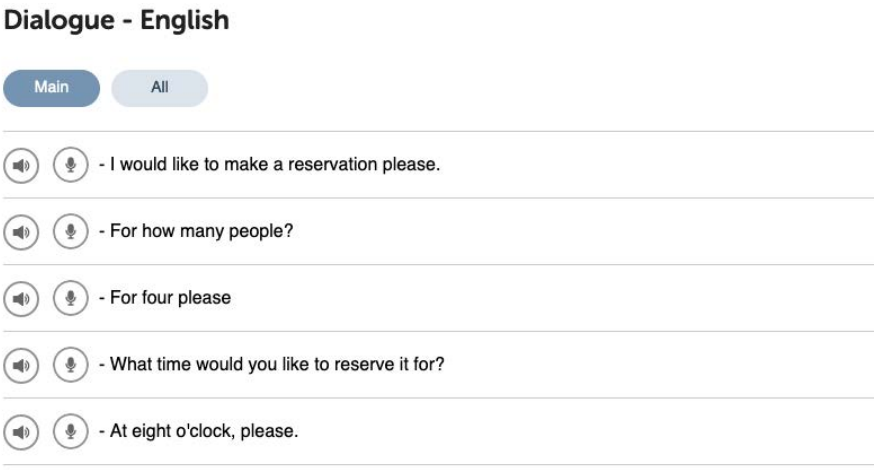

Then, our teachers will slow it down and explain all of the words, grammar rules and cultural nuances presented.

In minutes, you'll understand the entire conversation and all the words and grammar rules inside.

And, you'll start speaking Finnish that you've heard. So, if you heard a dialogue about catching up with a friend, you will be able to do just that in Finnish.

So, you will..
… listen (kuunnella)
… understand (ymmärtää)
…and speak (puhua) real Finnish.

And you can also read (lukea) along and never miss a word with the Line-by-Line Dialogue and FREE Lesson Transcripts inside each lesson.

When you're done with lesson #1, we'll guide you to lesson #2, then #3, and so on.

Learning is as simple as that.
