Hello! (Merhaba!)

We've seen that happen too many times. That's why we designed TurkishClass101 to break down lessons into the smallest, simplest steps possible. So, that you can finally grasp the language and start speaking, no matter your age, background or language experience.

Keep reading. You'll see how TurkishClass101 gets you speaking Turkish in just minutes...

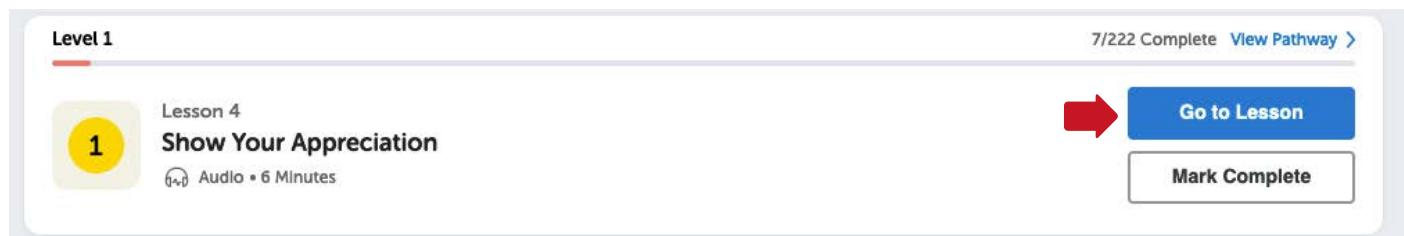

... and you'll discover some **FREE tools** and **resources** down below.

But, speaking of Turkish... Turkish in Turkish is Türkçe. Türkçe is a good word (kelime) to know since you know... you are now learning it.

So, how do you get started with Türkçe?

At TurkishClass101, we get you speaking and understanding Turkish with bite-sized conversational lessons.

In fact, you have a ready-made pathway of lessons waiting for you on the TurkishClass101 dashboard (your homebase). Just click on "Go to lesson."

The screenshot shows the TurkishClass101 dashboard. At the top, it says "Level 1" and "7/222 Complete" with a "View Pathway" link. Below that, a list of lessons is shown: "Lesson 4 Show Your Appreciation" with a yellow circle containing the number "1" and a "1+0" audio icon. To the right of the lesson list are two buttons: a red "Go to Lesson" button with a white arrow pointing right, and a "Mark Complete" button.

How to learn: All you have to do is... press play on a lesson and sit back.

First, you'll listen to a practical dialogue between native Turkish speakers.

Then, our teachers will slow it down and explain all of the words, grammar rules and cultural nuances presented.

In minutes, you'll understand the entire conversation and all the words and grammar rules inside.

And, you'll start speaking Turkish that you've heard. So, if you heard a dialogue about catching up with a friend, you will be able to do just that in Turkish.

So, you will..

... listen (dinlemek)

... understand (anlamak)

...and speak (konuşmak) real Turkish.

And you can also read (okumak) along and never miss a word with the Line-by-Line Dialogue and FREE Lesson Transcripts inside each lesson.
