How to Use This PDF

One of the easiest ways to learn Hindi and practice writing is... to simply copy things out by hand.

This is where this HindiPod101 PDF workbook comes in.

Just print out this PDF and write out the words and phrases on the provided lines.

- In the first part, you'll get the word in the target language and the translation and your job is to write it in the target language.
- In the second part, you'll see the word in the target language only and your job is to write the meaning.
- In the third part, you'll get the translation and your job is to recall and write the word in target language.
